The Laser Nationals took place at the end of July at Abersoch, and a number of our younger members competed.

Alex Jardine (pictured top left) came 35th, Dave Clark (pictured top middle) came 39th in the Gold fleet. Tom Piggott came 16th in standards and Tom Williams came an impressive 8th in the radial gold which is an absolutely stunning result. Alex Alcock, who is not pictured, came 26th in radial gold and Anna Piggott (Bottom left) was the 7th Lady.

If you are a junior member and would like to take part in racing, then why not take part in the CYRC event on the 13th Oct at the club. Specifically aimed at junior members of all abilities and class of boat
